# ABOUT US

## ABOUT AKASHDEEP

Established in the year 1991, in Gurugram (Haryana, India), we “Akashdeep Enterprises” are the leading manufacture, wholesaler and supplier of high quality range of Tissue Paper, Garbage Bags, Urinal screen, Paper cups, fuel gel Floor Mop And Broom, Paper Products, Dust Bins, etc. These products are manufactured by our knowledgeable professionals using advanced techniques and high quality raw material keeping in mind defined industry norms. The offered products are highly appreciated by our clients for features like eco-friendliness, easy usage, perfect finish and durability. We also trade and supply a wide assortment of Cleaning Chemicals and Housekeeping Products. The offered range is available in different specifications and can be customized as per the needs of the clients. In order to sustain the hassle free business operations, we segmented our sophisticated infrastructure facility into diverse sections which includes manufacturing section, quality assurance section, warehousing & packaging section, etc..

## WHY US?

Our products are designed with unwavering attention to detailing and finish. The sleek look and cost effective performance of our line products made us the partner of choice for wide number of clients.

Our endeavors to be the best are supported by leading vendors and logistics companies in the industry. Apart from this, we are able to anticipate the client needs and assure timely delivery at the best price.

## Quality Assurance

Our business activities are based on the core belief of quality assurance. We spare no effort to win strong client trust and strive to adhere to the principles of honesty and transparency.

Our quality control department undertakes the responsibility to set high targets for our line of products. They conduct rigorous inspections on the procured inventory of raw materials and verify the resonance of the finished product on strict quality measures.

## Product Details

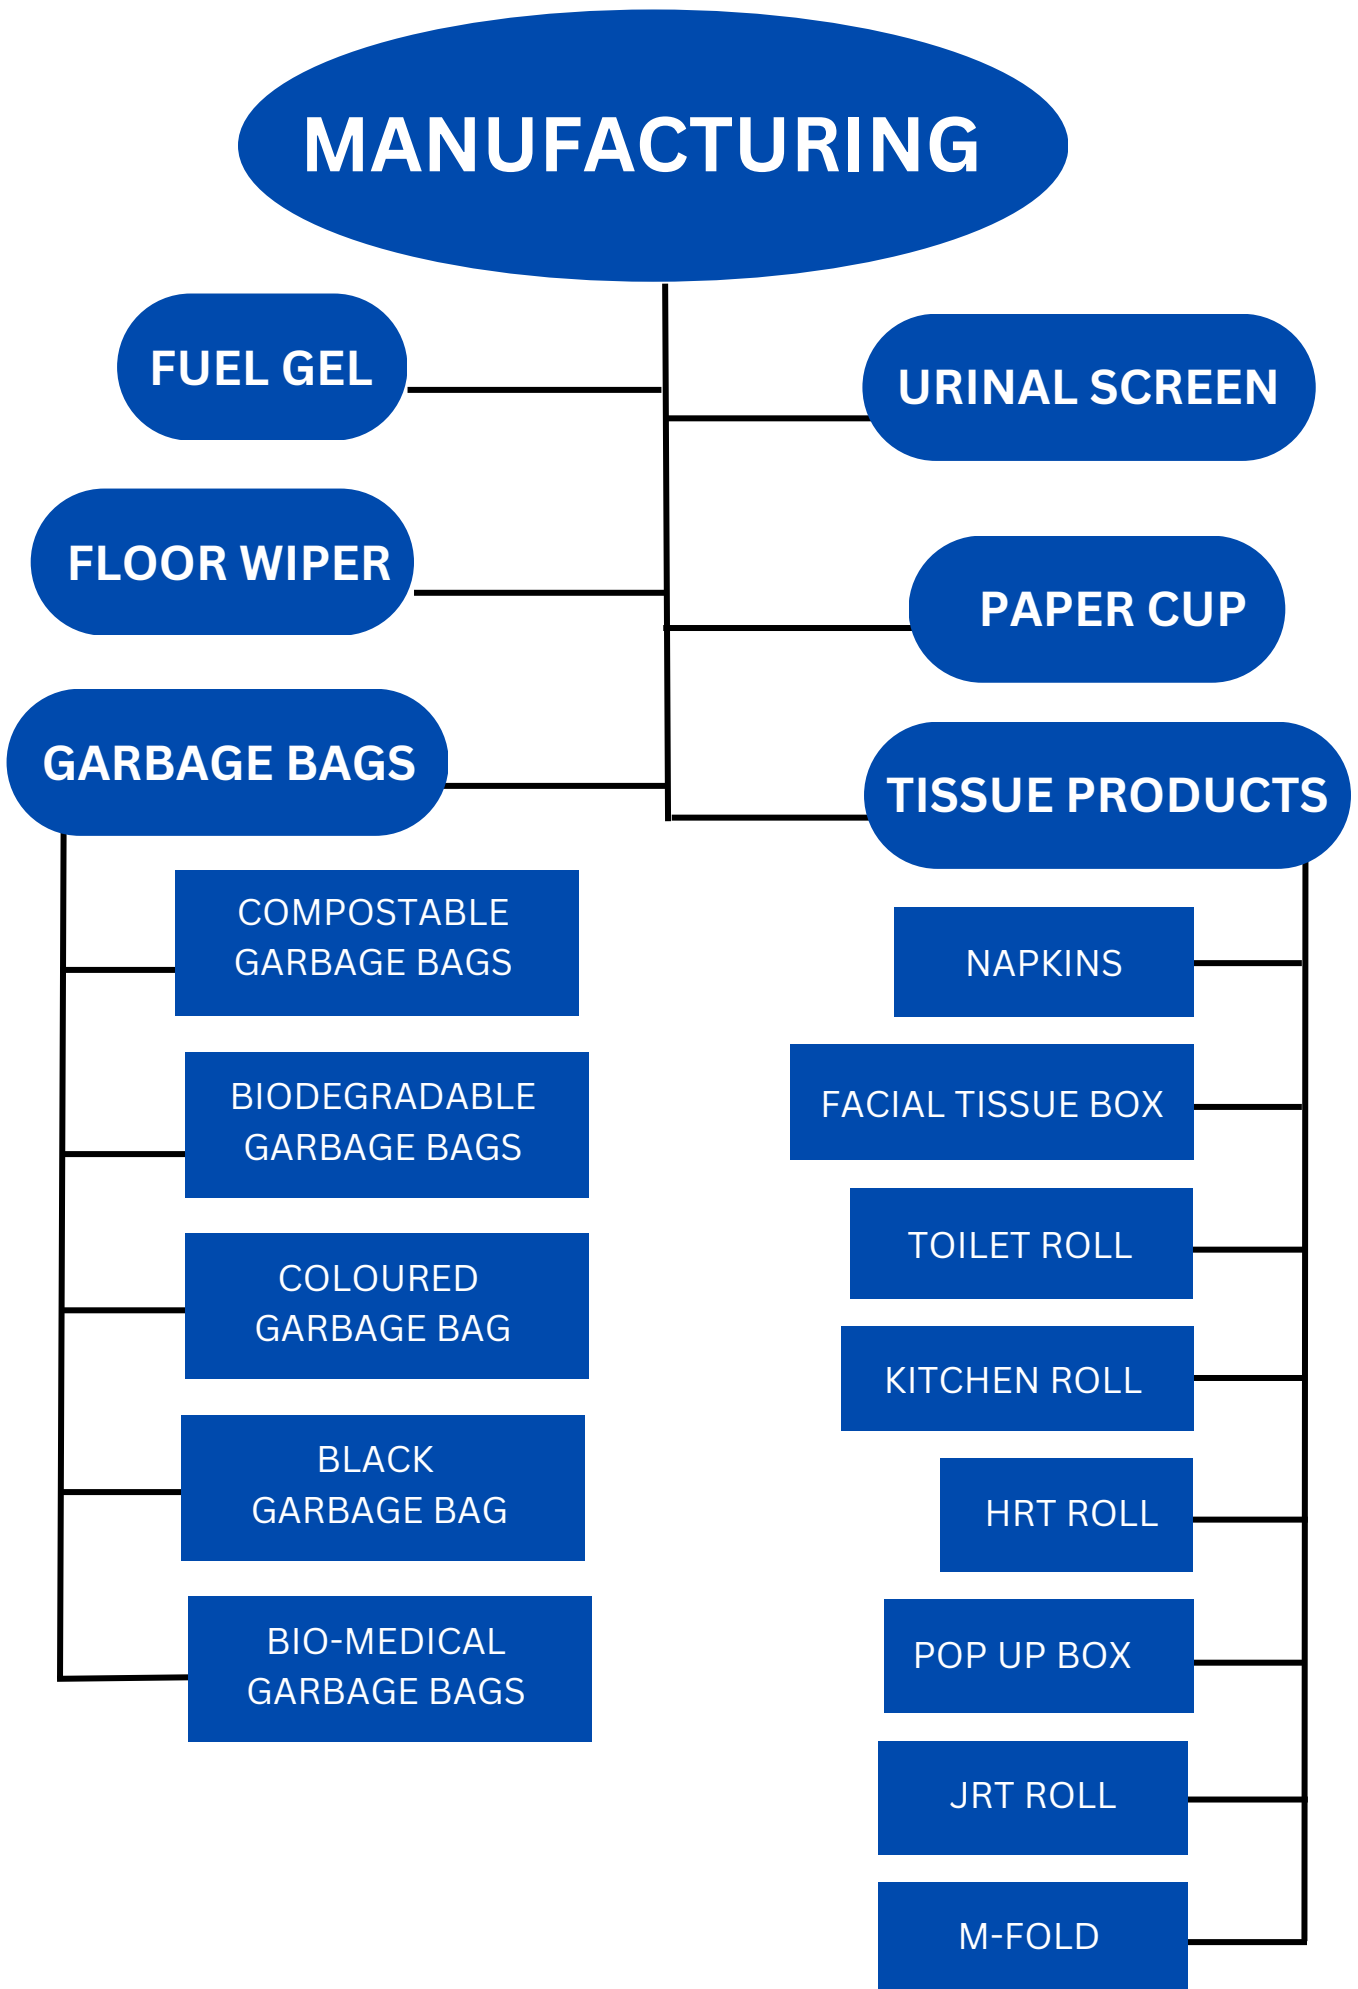

We manufacture all kinds of garbage bags for domestic, commercial and medical waste management. The Bags are non chlorinated and 100% recyclable above 40 microns thickness approved by pollution control board.

Our products are highly demanded by our customers for their cost effective prices and modified options. Our bags are supplied to the Hotels, Hospitals, Houses and Colonies, Municipal Corporations, House Keeping Agencies, Janitorial services, Warehouses etc.

For a better hygiene

We are one of the leading Garbage bag manufacturers in Gurgaon. The raw material we use in the process of manufacturing is top-notch. We provide garbage bags of different shapes and sizes. Our garbage bags are both for dry and wet garbage. Our aim is to manufacture garbage bags that lift heavy trash effortlessly. Our primary goal to manufacture garbage bags that are top in quality and long run.
